U.S. Probation Officer Action:

This allegation is considered a moderate severity violation. The correctional strategy used was a review of Mr. Ramirez's conditions, and an instruction that future behavior such as this will result in a petition to the Court requesting a warrant. Mr. Ramirez admitted he had made poor decisions to place himself in this situation and will not let it happen again. This officer requests that the Court take no action and allow Mr. Ramirez to remain on supervision. It is also respectfully requested that the Court reserve the right to consider this violation if further non-compliance continues.
